

1x8 Male Pin Header TH - 1.5mm pitch (5 pcs)

PID: MIKROE-6252

1x8 Male Pin Header TH - 1.5mm pitch (5 pcs) is a high-quality connector featuring a unique 1.5mm pitch, ideal for compact and specialized designs. With eight pins in a single row and a 2.2mm pin length, this header ensures reliable connections and easy integration into your circuit board. Its 4mm body width maintains a low profile, and the sleek black finish adds a professional look to any project. Sold as a 5pcs unit, it provides precision and reliability for both prototypes and final products.

Mikroe produces entire development toolchains for all major microcontroller architectures.

Committed to excellency, we are dedicated to helping engineers bring the project development up to speed and achieve outstanding results.

ISO 27001: 2013 certification of informational security management system.
 ISO 14001: 2015 certification of environmental management system.
 OHSAS 18001: 2008 certification of occupational health and safety management system.

ISO 9001: 2015 certification of quality management system (QMS).
