

Power Cord C14 to C15 - Heavy-Duty, 15A, 250V, 14 AWG, 2 ft. (0.61 m), Red

MODEL NUMBER: P018-002-ARD

Heavy-duty C14 to C15 power cord connects a PoE network switch or other device with a C16 power inlet to a PDU or UPS system.

Features

C15 to C14 Power Cord for Network Devices That Require a Heavy-Gauge Connection This 250V C15 to C14 cable features 14 AWG wire suitable for high power connections, making it reliable for large server applications that require a higher-rated, heavier-gauge cable. The C15 connector is designed for higher-temperature devices, such as electric kettles, PoE (Power over Ethernet) switches with high-wattage power supplies, and similar network components. This IEC C14 to IEC C15 cord can also replace or upgrade the standard power cord provided by the device's manufacturer. The 2-ft. (0.61 m) length helps reduce cable clutter and minimize the risk of tripping.

Color-Coded to Avoid Misidentification That Can Cause Costly Downtime This C15 to C14 power cable features a red SJT jacket and fully molded red ends. The color-coding allows easy, fast identification in a crowded rack or workstation and helps prevent the cable from becoming inadvertently disconnected.

Specifications

OVERVIEW	
UPC Code	037332199089
Device Compatibility	Network Switch; UPS; PDU
Country/Region	North America
INPUT	
Maximum Input Amps	15
Voltage Compatibility (VAC)	100-250
CONNECTIONS	
Side A - Connector 1	IEC-320-C14

Highlights

- Recommended for powering PoE switches with high-wattage power supplies
- 2-ft. (0.61 m) length allows flexibility in placing devices, while avoiding cable clutter
- C14 to C15 power cable replaces or upgrades original manufacturer's power cord
- Color-coded red for fast, easy identification in a crowded rack or workstation
- Thick 14 AWG wire gauge manages high power levels required for larger equipment

Applications

- Connect devices like high-wattage PoE switches to a PDU up to 2-ft. (0.61 m) away in your data center
- Update or replace the standard power cord provided by a device's original manufacturer
- Extend an existing power connection by 2-ft. (0.61 m)

Package Includes

- P018-002-ARD IEC C14 to IEC C15 Power Cable, 2-ft. (0.61 m), Red
