# USB-C Cable (M/M) - USB 2.0, 5A (100W) Rated, Right-Angle Plug, Black, 2 m (6.6 ft.)

MODEL NUMBER: **U040-02M-C-5ARA**

USB cable with right-angle plug connects a smartphone or other USB-C device to the USB-C port on your computer, charger or power bank.

## Features

**USB-C Cable Connects Devices for Charging or Transferring Data**
This USB cable (M/M) is compatible with any device with a USB-C or Thunderbolt 3 port, including MacBook Pros, Chromebooks and Windows laptops. It allows you to connect your notebook computer to a docking station, your Apple or Android smartphone to a wall charger or power bank, or an external hard drive to a PC or tablet, to name just a few valuable uses for the cable.

**PD Charging Cable Supports up to 100W for Syncing and Charging Mobile Devices**
The Power Delivery cable provides power output up to 20V 5A (100W), which is sufficient for fast charging, syncing and powering most large-capacity devices, including the MacBook Pro. It also supports USB 2.0 data transfer rates up to 480 Mbps. The USB-C to USB-C cable is backward compatible with previous USB generations, allowing you to use it with older equipment.

**Right-Angle Plug Makes Connecting in Tight Spaces Easier**
A space-saving right-angle USB-C connector is easy to install in confined spaces, such as behind your computer or workstation. The right-angle construction also helps relieve strain on the cable and connector and prevents the cable from bending awkwardly.

**Reversible USB-C Connectors Attach in Either Direction**
Unlike traditional USB cables that connect in only one direction, the reversible USB-C male connectors plug into a USB-C or Thunderbolt 3 port in either direction for an instant connection every time.

## Highlights

- Power Delivery cable supports 20V 5A (100W) power output for charging host device
- Supports USB 2.0 speeds up to 480 Mbps to ensure efficient data transfers
- Reversible USB-C plugs connect in either direction for immediate no-fuss use
- Space-saving right-angle USB-C plug allows easy connection in confined spaces
- USB-C to USB-C cable is compatible with all USB-C and Thunderbolt 3 devices

## Applications

- Charge and power your MacBook Pro, Windows laptop or other USB-C or Thunderbolt 3 device from a USB-C wall charger
- Transfer data between an external hard drive and your laptop or PC
- Connect your laptop to a docking station or hub with a USB-C or Thunderbolt 3 port

## System Requirements

Devices with USB-C or Thunderbolt 3 ports

## Package Includes

U040-02M-C-5ARA USB-C to USB-C Cable, M/M, Black, 2 m (6.6 ft.)
