Monaco, Monte-Carlo - Los Angeles, California, USA

- The ABB FIA Formula E World Championship returns to the legendary streets of the Principality of Monaco for the eighth round of Season 10 this Saturday April 27, 2024
- DS PENSKE is getting ready to race in style after the reveal of its special car livery “Grand Gala”, an ode to the glamour and timeless sophistication of iconic Monte-Carlo
- DS PENSKE is currently fifth in the team’s championship

After Misano, DS PENSKE returns to action this weekend in marvellous Monaco for Round 8 of 2024 Season which will mark the seventh time that the series finds itself competing on the most famous racetrack on earth, this Saturday, April 27th at 15:03 local time.

Renowned for its breathtaking scenery and challenging 3.3km circuit, Monaco holds a special place in the hearts of motorsport enthusiasts worldwide. The fusion of speed, skill and spectacle on the Monegasque streets epitomizes the essence of the all-electric series, making it a highlight of the racing calendar.

DS PENSKE is set to captivate audiences with a special livery that seamlessly blends performance and style. Inspired by the heritage of racing and the elegance of the principality, the DS E-TENSE FE23 “GRAND GALA” design is a visual masterpiece reflecting the team’s commitment to excellence on and off track.

Known for its demanding layout, with narrow streets, tight corners and minimal room for error, nailing the qualifications will be a key focus for 2-time Formula E Champion Jean-Eric Vergne and the 2002 World Champion Stoffel Vandoorne. With the competition heating up, securing a strong starting position is essential for success in Monaco. The DS PENSKE squad is leaving no stone unturned to maximize their performance on the track.

Stoffel Vandoorne, 2022 Formula E World Champion

'I am thrilled to be racing in Monaco with this special livery!

This stunning design is truly inspiring and I cannot wait to hit the track and give it my all.

The Monaco E-Prix is always a highlight of the season, we have been working tirelessly to prepare for this race because Monaco demands nothing less than our absolute best. I am determined to make it a memorable one for the team and the fans!'

Jean-Eric Vergne, 2018 & 2019 Formula E Champion

'Very happy to be here in Monaco, this is an amazing car livery designed for an amazing race.

It is crucial for us to reclaim our position at the front, to seize valuable points and remain in contention for victory. Every race is a chance to reaffirm our presence as a force on track.

Our goal is clear: to chase every point and leave nothing on the table.'

About PENSKE AUTOSPORT

PENSKE AUTOSPORT is an American racing team founded in 2007 by Jay Penske. The team is headquartered in Los Angeles, California, the largest single metropolitan EV market in the world.

After many successful years competing in IndyCar (2007-2014), the team embraced the shift to electric mobility and became one of the founding teams of the ABB FIA Formula E World Championship. The team motto is the Latin phrase "E Pluribus Unum" – meaning "out of many, there is one."

About DS Automobiles

Driven by the spirit of the avant-garde and backed by an exceptional heritage, the DS brand, born in 2014, aims to embody the French art of travel.

Based on numerous records since its entry into Formula E in 2015, including double Teams' and Drivers' titles, DS Automobiles is at the forefront of electrification by already selling each of its models with an electrified version. From 2024, every new model launched by DS Automobiles will be 100% electric.

With a presence in 40 countries, the DS brand has created and is developing an exclusive distribution network throughout the world.
